The background is a high-resolution aerial photograph of a marbled surface, likely a stone or metal finish. The colors are a mix of deep navy blue, teal, and light blue, with intricate, vein-like patterns. Scattered throughout are irregular, shimmering gold or bronze-colored flecks and streaks. In the lower-left quadrant, there is a small, dark, circular object, possibly a lens or a small hole, which is partially filled with a golden material.
