ROXY

Il letto Roxy sa come realizzare i sogni di chi desidera un letto comodo e allo stesso tempo bello: la testiera in materico è valorizzata da un pannello imbottito in ecopelle o in tessuto. La lavorazione matelassé a righe ne esalta la morbidezza e lo stile.

The Roxy bed knows how to make the dreams come true of those looking for a comfortable bed that is also beautiful: the textured headboard is enhanced by a padded panel in eco-leather (or fabric). The vertical Matelassé quilting enhances its softness and style.

Gli angoli stoncati addolciscono il design e l'assenza di spigoli è l'ideale per chi ha poco spazio ma deve potersi muovere agevolmente intorno al letto.

Rounded corners soften the design and are ideal where space is at a premium and it's important move around without bumping into sharp edges.

SHIRO

Shiro è più di un letto, è un arredo “tutto in uno”. Il pannello in materico diventa testiera: è ammorbidito da due cuscini applicati, retroilluminato da una luce a led integrata e unito ai comodini.

Shiro is more than a bed: it's an “all-in-on” piece of furniture. A textured panel becomes a headboard softened by two, add-on cushions and back-lit by an integrated led light. A bedside table is attached to both ends.

WARDROBE

La nuova finitura materico Yuta decora le ante, le nuove maniglie sono dettagli di design e gli interni diventano sempre più curati e coordinati con l'esterno. La funzionalità rimane e si evolve, l'estetica anticipa ed esprime le tendenze: gli armadi Tomasella arredano la notte e anche altri ambienti della casa.

The new textured jute decorate the doors, the new handles are designer pieces and furniture interiors become increasingly more curated and coordinated with exteriors. Functionality is staple and evolving while aesthetics anticipate and express new trends: Tomasella's wardrobes can furnish the night, as well as other rooms in the home.
